COLONIAL 1974

DEDICATION

It is the pleasure of the 1974 Colonial Staff to dedicate this yearbook to an individual who has generously given of himself for the betterment of Hempstead High School.

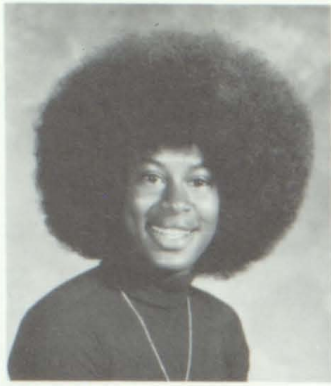

Mr. Beckett has spent a total of 33 years in Hempstead High School, including four as a student. As Chairman of the Science Department, he has demonstrated his dedication to the students and faculty, as is demonstrated by the fact that he has coached the Cross Country track team. His good nature and hard work have earned him a position of high respect throughout the school. His retirement this year will truly be a loss to the school as a whole. Thank you, Mr. Beckett.
