SPIRIT

Many years have passed and a day
Still we walk in the path that
Leads to the light

Shinning down, on this great beyond
Thoughts ignite us. Let love unite us.
Turn your face, to the wind and
Taste his love within.

You'll find a friend, everlasting love
You can depend, everytime you smile
You bless a child
Our spirit perpetuates our spirit
Meditates love and faith

We must make our brother see
That the light is he
Shinning on you and me
The lad he gave
Roads we must pave
Through each others eyes

Humanity will rise
In Love
And our spirit will
Be at one with thee
Sadness hears no remedy for
The problems in your life.

Life is just a day
Living games we play
London bridges falling down
Do what Simon says.

THERESA HARRISON

In Remembrance

Theresa Harrison, a beautiful student of the class of "78" was a very hard worker at her studies. She participated in many school activities, as well as social activities. Theresa, a surprise to everyone, passed on to glory on July 20, 1976. Though she will not be with us to commemorate the long waited and well deserved moment of graduation, she will be well remembered and always loved.

Beverly Moore

Being selected Co-Editor of the year book was an honor to me. I thought that it would be a year of full achievement, but it turns out to be a lot of hard work and long hours.

This job proved to be a very rewarding and profitable experience and has taught me the true meaning of responsibility and leadership. During the year, we ran into one big problem, but we were soon able to iron that one out and continue with what we had to publish a good year book. The staff worked very hard and were willing to put in as much time and effort needed to get the job done. And I thank them very much!

My personal thanks goes to the following staff members: Sharon, Denson, Denise Bryant, Lee Heckstall, Cynthia Franklin, Jo Ann Medina, Darryl Warren, Maria Dedina, Sheila Green, Patricia Fleming, Virginia Massey, Keith Thomas, David Goens, Clinton Boone, Ernest Brown, Natalie Bass, Anna Marie Tucker, Chris James, Shirley Jones, Bridget Bouknight, Patricia Lomax, Marilyn Greene, Vincent Sumrell, and Bruce Williams.

I would also like to give a special thanks to my co-worker, Lloyd Culbreath.

There's one person I would really like to thank. She's just like another MOM to me and she makes sure Lloyd and I do the job right. She either wants the job done right or not at all. She was always on our backs and placed a lot of pressure on us to make us realize the importance of the job. And really deep down in her bolted heart, she loves and cares for us. Without her knocking at us, we would not have such a BEAUTIFUL year book.

I would also like to thank Ms. Linda Scher and Ms. Judy Gilbert for their assistance this year.

A special thanks goes to Mrs. Ruby Watkins and her typing girls. They, too, did an excellent job with the letters of advertisements.

To the remaining faculty of Hempstead High School, I thank you on behalf of the Senior Class of '78. We love you, too. With this key of my heart, I would like to wish all the Seniors of '78 the best that life has to offer, and GOOD LUCK! And to the underclassmen, good luck to you, also.

BEVERLY MOORE

Students, Faculty and Administrative Staff:

Being appointed the Co-Editor of the 1977-78 yearbook has been an experience that I will never forget.

During the course of the year, we ran into many problem. These were resolved with long hours and hard work. There were times when we felt that all was lost, but by buckling down we produced a quality yearbook that reflects our staff and this year's Senior class.

I would like to thank my co-worker, Beverly Moore, who worked as hard as I to produce a product of quality and meaning.

I would also like to extend my greatest appreciation to the staff, without whom this book would not have been possible.

I would like to extend a special thanks to Mrs. E. Sumrell, our advisor, for her constant and helpful guidance.

In parting, I would like to extend to the Senior Class of '78 my thanks and the best of luck in all future endeavors. To the underclassmen, may your striving and aspirations result in greater achievement academically and in all extra-curricular activities.

SENIOR CLASS PRESIDENT

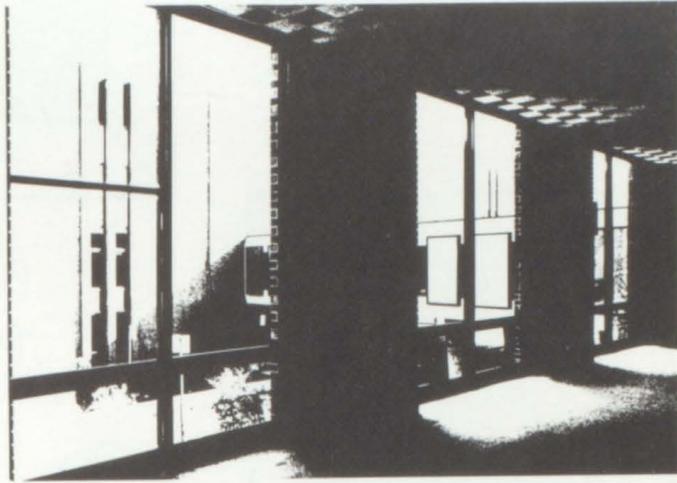

Wanda Bell

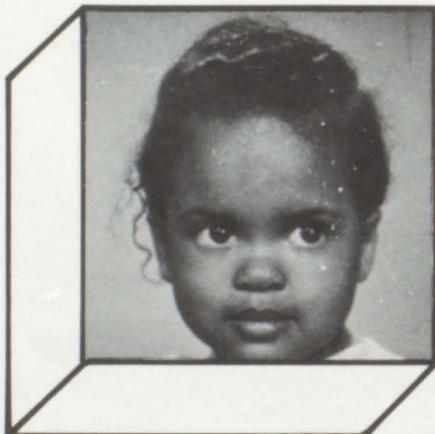

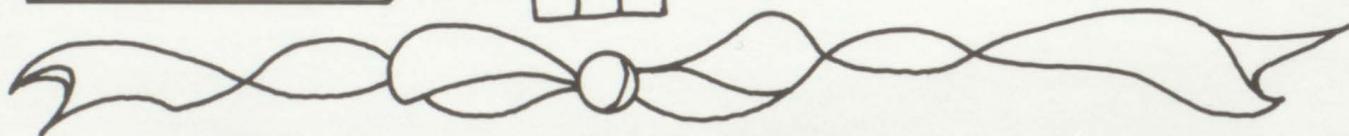

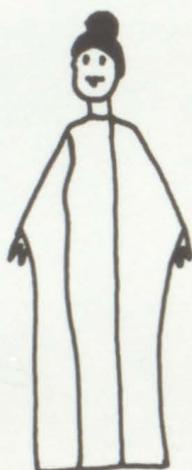

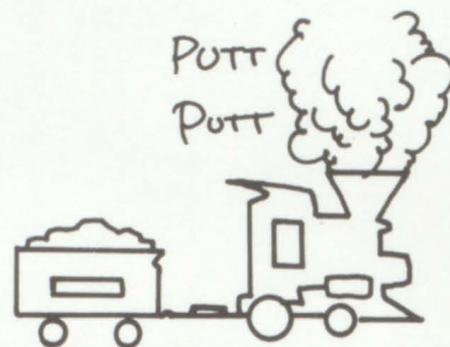

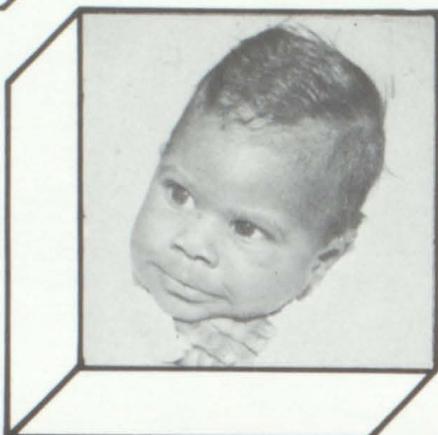

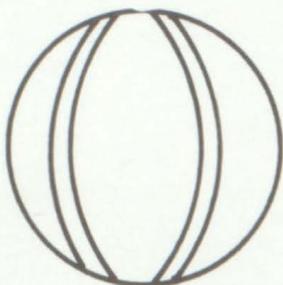

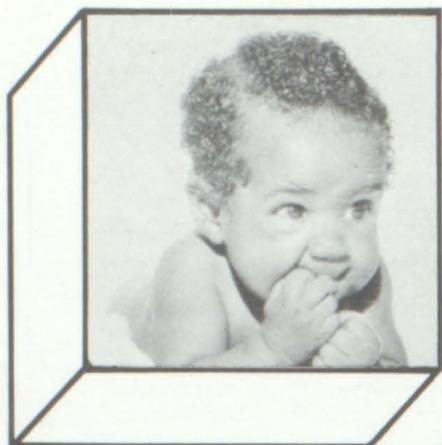

The experience of being senior class president has taught me a lot about myself as well as other people. While holding this office, I have been forced to relate to hate, ridicule, uncertainty and massive disappoint, but through it all there was much work accomplished. At times I felt as though I wanted to quit but the encouragement of all those who stood behind me increased my potential to work harder. I'd like to take this opportunity to thank all of those people for their support and belief in what we, the seniors, could accomplish working as a whole.

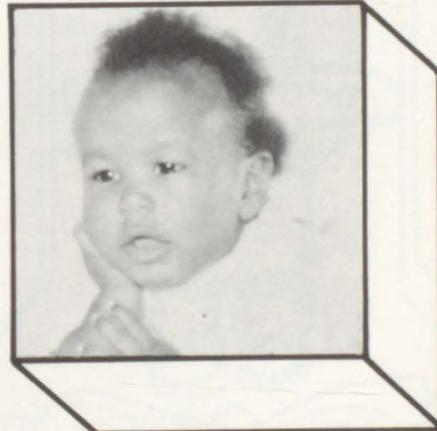

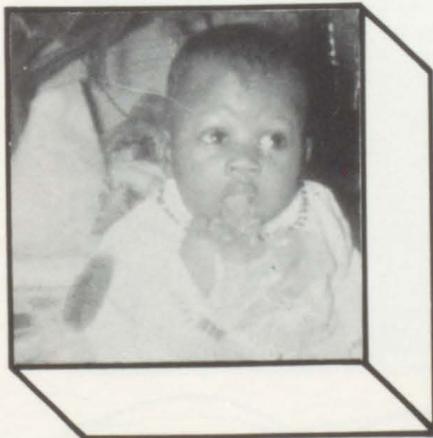

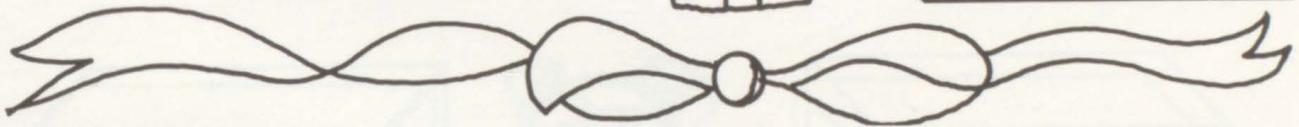

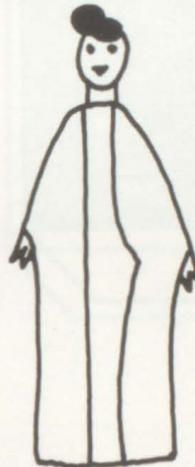

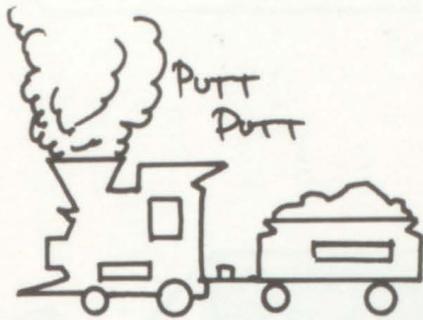

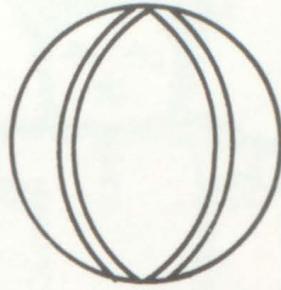

The major problem I encountered was attracting and maintaining the majority's interests. There is no way one person or a small group of people can satisfy a variety of tastes and keep everyone happy. Creativity and a strong will are two qualities all leaders must possess, because without them he has no followers.

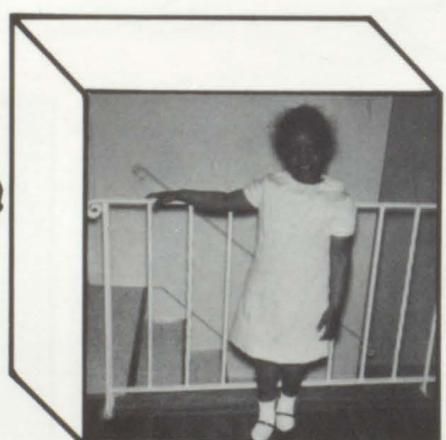

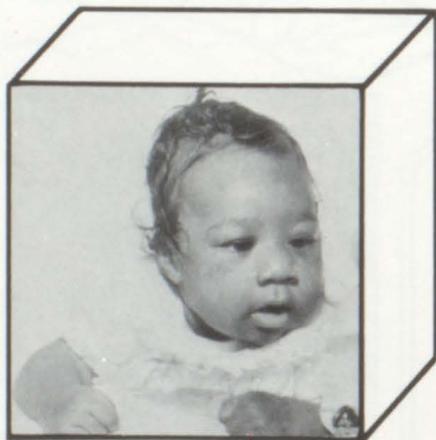

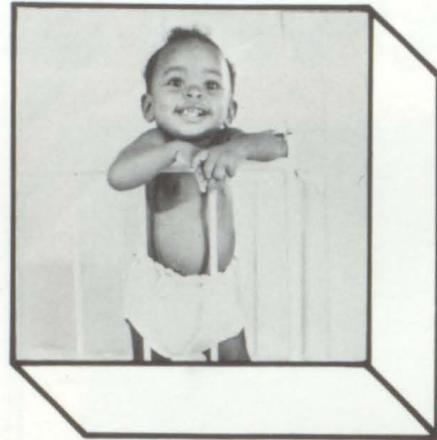

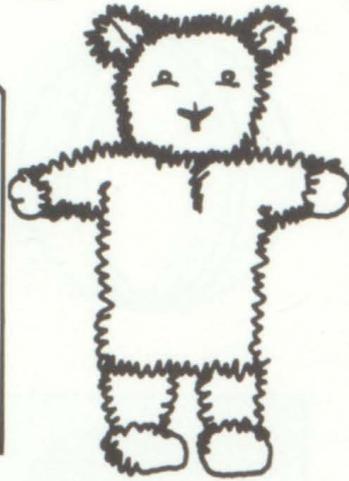

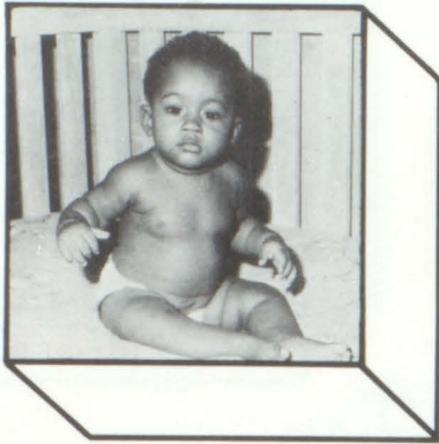

As a farewell, I'd like to leave some advice to the future class leaders of H.H.S. Be prepared to work dilligently toward you goals, and learn to cope with others problems. Be forceful with your ideas, and firm in your beliefs. Remember it is your individuality that distinguishes you from all other leaders.

A TRIBUTE TO A LOVED ONE

EDDIE BROWN

The Late Eddie Brown attended Hempstead High School and was very active in sports. He played Basketball well. The subjects Eddie loved most while in school was History and English. After Eddie graduated from Hempstead, he decided to work at his alma mater as a corridor monitor and custodian.

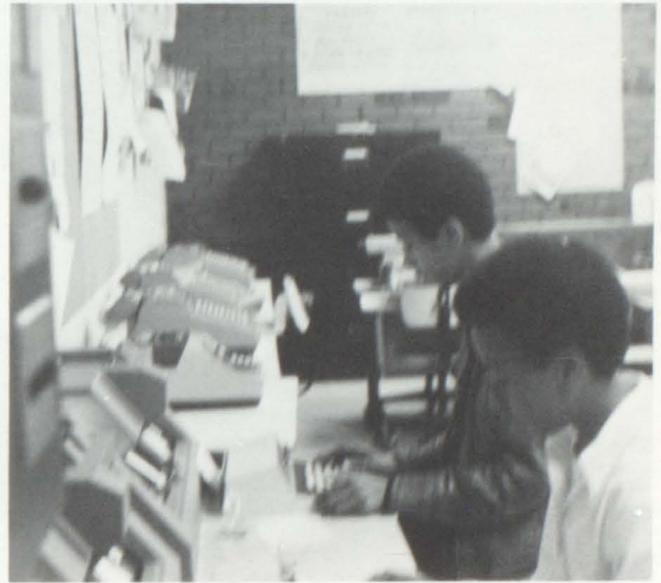

While working at Hempstead, Eddie tried to encourage other young people to obtain an education and not to waste their valuable time. He also worked as a basketball coach at the Percy Jackson Youth Center and tried to teach other youngsters who were interested in the game how to play.

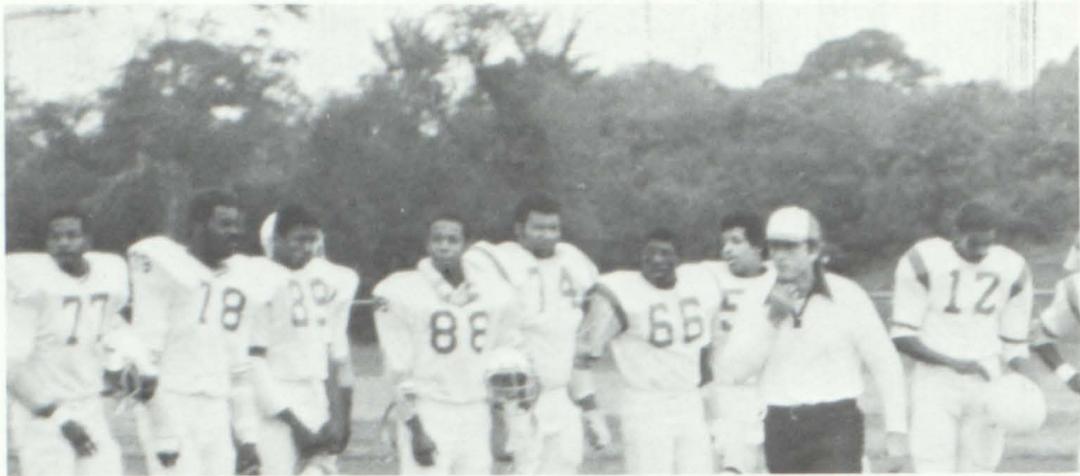

We will always remember Eddie as a loving person who did what he could to help others.

**College isn't the
only place to continue
your education.**

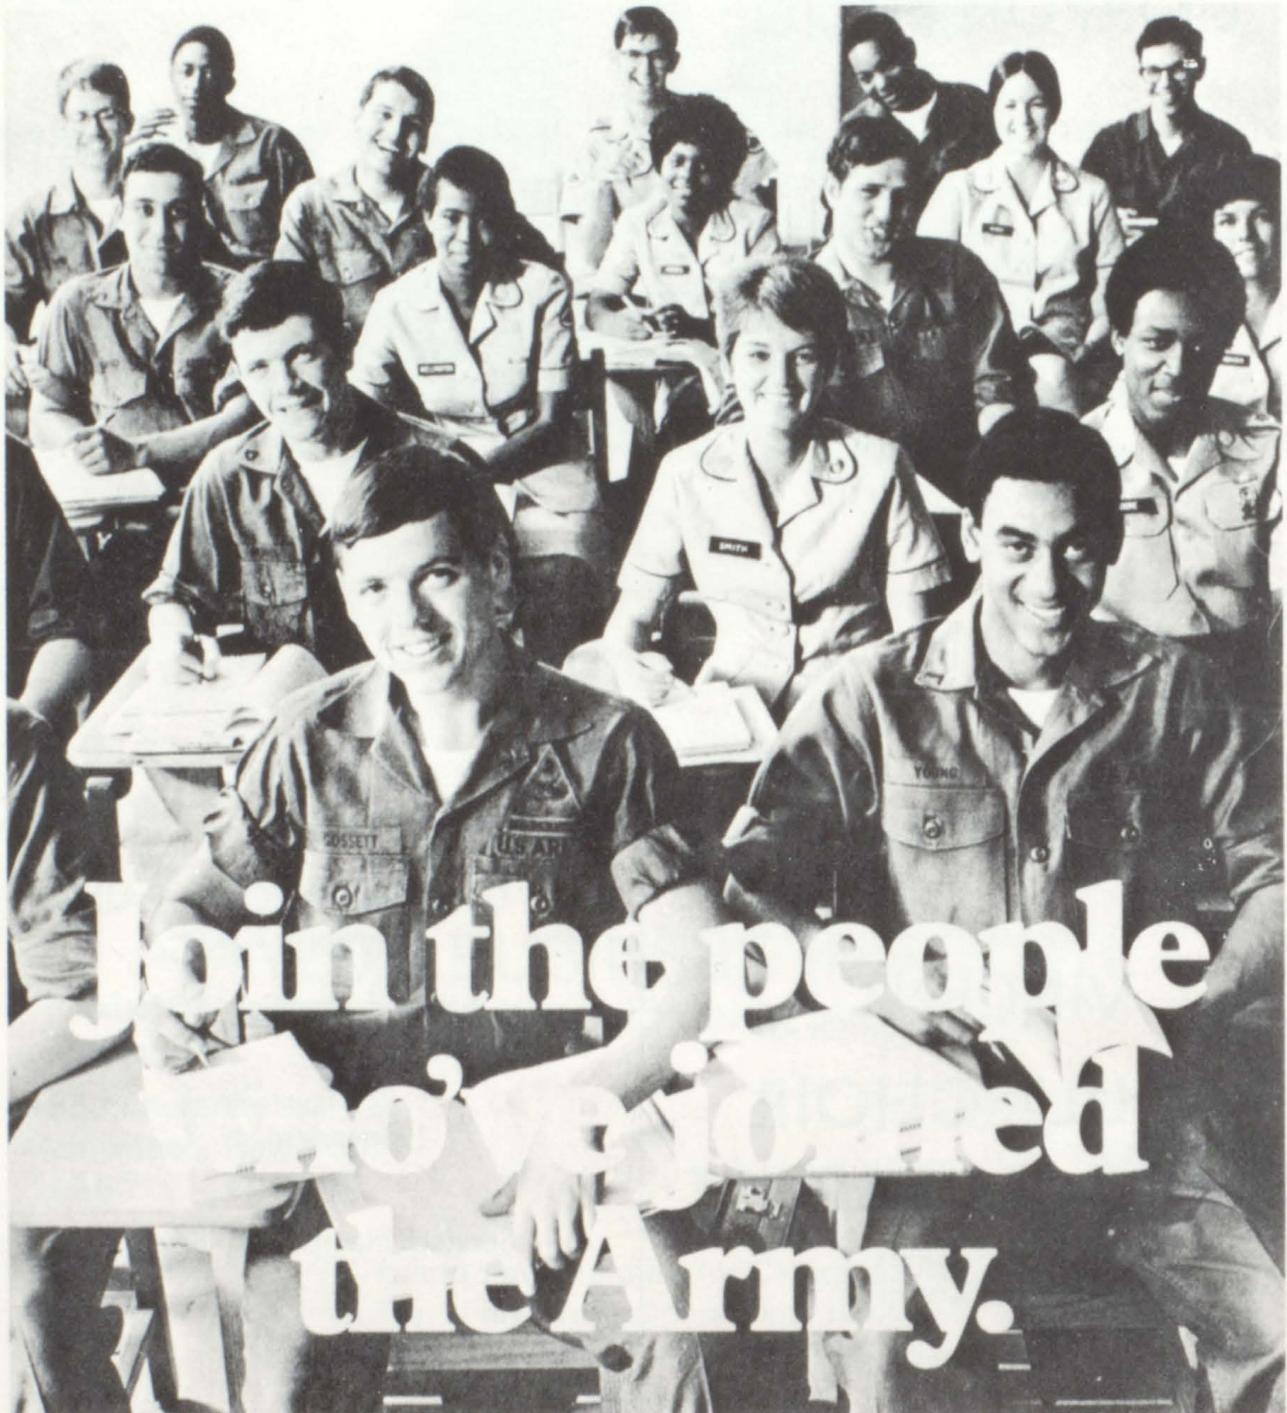

You may not join the Army to get a college education, but it may end up that way.

Last year alone, 90,000 men and women earned college credits while serving in the Army. And the Army paid up to 75% of the tuition.

Now, through the Army's newest educational program Project Ahead, you can enlist in the Army and start college at the same time.

So, for whatever your reason is for joining, you can still find time to continue your education.

For more information, see your local Army Representative.

Farewell, Old Hempstead High

Though parting brings sorrow

We bid thee fond good-bye

Ere we journey on tomorrow

Though we will soon be gone

Memories will linger on;

Memories that cannot die

Alma Mater!! HEMPSTEAD HIGH

ALMA MATER
HEMPSTEAD HIGH

Come, Sing to Hempstead High!

All hail to her Glory

Her praises testify

In the beauty of her story;

Raise high her banner too;

Proudly the white and Blue

Waves to our fervent cry —

Alma Mater! HEMPSTEAD HIGH.

We laud thee Hempstead High;

No one shall assail thee

For thee we'll do or die,

Never, Never will we fail thee

In class and on the field,

We'll win! We'll never yield!!!
